Each participating site or location should have their own coversheet.

An Estimate of Church Attendance

For each of the last six years, what is your best estimate of average weekly attendance at church services for this local church? If there is more than one service here, add together average attendances for all services held over the week.

Note: Catholic churches should provide total parish attendance.

This question is the same question as in the Church Census.

Please write the same answer here.

Providing this information here will ensure it is included on your local church profile, making the results returned to your church as complete as possible.
